

South Tech Charter Academy, Inc. Board Policy **3.01**

POLICY FOR BARGAINING UNIT EMPLOYEES

South Tech Charter Academy, Inc. Board policies apply to all South Tech Charter Academy, Inc. employees and personnel, including those personnel subject to negotiated bargaining agreements. While due care will be given to avoid conflicts between documents, when a provision of a Board Policy conflicts with a provision of a ratified bargaining agreement, the specific provision of the negotiated contract takes precedent over Board policy for employees in that particular bargaining unit.
